Nationality: Austrian
Gender: Male
Marital Status: Single
Birthplace: Wels, Austria

## Summary

Dedicated Software Engineer seeking challenging opportunities to build impactful software. Bringing a strong focus on writing efficient, safe, and semantically correct code, combined with expanding academic expertise in data analysis and biology from FH Hagenberg.

## Education

### FH Oberösterreich

2025 – current

B.Sc. Medical- & Bioinformatics, Bioinformatics track
Hagenberg, Austria

### Higher Technical College Grieskirchen

2018 – 2023

A-Levels Medical Informatics
**Thesis**: Synde - Document Dataset Synthesizer
Grieskirchen, Austria

## Skills

### Languages

German (native) • English (fluent)

### Mathematics

Statistics • Linear Algebra • Calculus • Probability

### Informatics

Machine Learning • Networking • Operating Systems • Programming Paradigms • Architecture Design

### Biology

Genomics • Biochemistry • Sequencing • Analysis

## Experience

### Software Engineer

2024 Jun. – current

@ opta data Österreich GmbH

- One of three core developers, designing and implementing a diabetes order platform from scratch
- Involved in setting up and planning of core software system deprecation and implementation of new platform
- Core component establishment such as authorization, observability and analytics

Systems Design | Domain Driven | Scrum Collaboration

### Internship

2022 Jul. – 2022 Aug.

@ opta data Österreich GmbH

- Developed a reporting tool for in-house AI text extraction model drift detection in production
- Trained autoencoder based on above model's architecture for document classification
- Presented findings to stakeholders

Data Analysis | Data Visualization | Report Generation | Deep Learning

## Certifications

**FILL Hackathon 2022** — 2022 (Dec. 14 – Dec. 16)

- Won in the software engineering category by developing realtime order and delivery platform for a small 3d printing assembly.

**Project Award - HTL Leonding** – **Credential** — 2023

- Diploma Thesis Award for the best overall project in innovation.

**Jugend Innovativ** – **Credential** — 2023

- 3rd place in Austria wide Diploma Thesis Award for category "ICT & Digital".

### Soft Skills

Remarkable Ability to Learn Quickly and Self-Driven • Strong Problem-Solving Skills • Excellent Communication and Collaboration Skills • Ability to Work Independently

## Hobbies

### Sports

SCUBA Diving • Strength Training • Shooting Sports

### Computer

Gaming • Programming • Researching

### Other

Cooking • Traveling • Trying new things

## Achievements

### Känguru der Mathematik

**Austrian Math Kangaroo; Competition in mathematics for students aged 10-14.**

**2016** **3rd place** – Upper Austria
**9th place** – Austria
**2015** **8th place** – Upper Austria

### Biber der Informatik

**Austrian Computer Science Competition for students aged 10-14.**

**2016** **2nd place** – Austria

## School Position

**2021** Deputy School Representative
Deputy Department Representative

I hereby declare that all the above information is correct to the best of my knowledge and belief.
**Tim Peko**, 2026-03-24
